A pink bean character with a smiling face, arms, and legs is on the left. A speech bubble points from the character to the text. The background features a faint anime-style character with blue hair and a serious expression.

# ふたりの特別授業

二限目

Just before  
the season  
changed to  
summer...

But...

Hey  
Watabe.

I had barely  
ever spoken to  
my classmate  
Watabe  
before.

We both  
thought that  
we didn't  
fit well  
together.

My first  
summer  
spent with  
Watabe.

Right  
now, it's  
summer  
vacation.

He's strict,  
but this kind  
of this is  
nice.

tee  
hee

Now we're  
proper  
"friends" that  
can talk to  
each other.

Even though  
I was so bad  
at dealing  
with  
Watabe,

601-222  
601-222

Oh!

Hotabe,  
over here!

Morn-  
ing

I'm so  
excited!

Don't  
get too  
worked  
up.

IT'S  
HOTTER  
THAN  
GETTING  
HOT-  
FOOT.

Today's temp  
-34°C

I can't  
stand it  
anymore  
here

Isn't  
that  
hot?

Why are  
you at a  
place like  
this?

So un-  
ex-  
pected.

Haven't seen  
you since  
graduation-  
it's been a  
while.

En.

What  
are  
you  
doing?

Wait- why  
are you  
ignoring  
me?

Is that you,  
Wafabe?

Wafa-  
be?

JOLT

Who-

Yeah,  
really  
hand-  
some.

In-  
tro-  
duce  
us.

He's  
cool!

Is that so?

And he's  
really  
gloomy!

Contrary to  
his appearance,  
this guy's got  
a really bad  
personality.

..oi

THUD

..ough.

So even  
Watake has  
a friend.  
huh.. I'm  
surprised.

How do  
you get  
along  
with  
him?

You..

Win-what's  
with you..?

Watake  
isn't like  
that at all

What  
are you  
saying...!

I'm Watake's  
friend!

The fact that  
friendship could  
be flipped in one  
moment was a  
shock to me

But within our  
close group, one  
person started  
getting left out  
over something  
silly.

I had some  
friends in  
the past.

I defended  
that guy....

That's...

Even though  
I believed  
those  
words...

"You're the  
only one  
who believes  
me!"

"You're a  
real friend"

He was  
always  
alone.

Just like  
me...

And  
there  
was no  
one next  
to me  
anymore.

And then I  
became iso-  
lated within  
my class  
too.

By the time  
I noticed, I  
was the new  
target.

We're  
fine  
same,

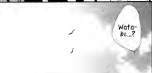

You  
and I.

Pat

pat

Plus that wasn't  
Udagawa's  
fault just  
now.

Why would I  
go out of my  
way to stay  
with some-  
one I didn't  
like?

Don't  
feel  
bad.

Okay.

O-

Source

I like.

Watabe.

Oi, how  
long are  
you going  
to hold  
on?

S-

Sorry.

Hub?

But I

W-what  
about

Really  
do,

Like  
him.

As a  
friend...?

Do you  
usually  
feel like  
this  
about  
friends?
